

USB3.0 4-Port HUB with USB-C & RGB Effects

USB 3.0 4-Port Hub | Intergrated USB3.0 Cable | RGB Effects | Desktop Hub |

Model No.: USB3-BUH4AL

Version: 1.0

In the fast-paced world of modern offices, the USB3-BUH4AL from flykantech.com is a cutting-edge USB3.2 Gen 1 4-Port HUB, delivering advanced functionality and a touch of sophistication.

Ideal for both home and business users prioritizing portability, this USB-powered hub boasts four high-speed USB3.0 ports (5 Gbps) with backward compatibility to USB2.0. The USB-C charging port addresses power needs, while a bottom-mounted RGB LED light adds vibrancy to workspaces. Engineered for efficient device management and workspace organization, it transforms your office into a connected, dynamic, and technologically vibrant space. Elevate your setup with flykantech.com's USB3.0 4-Port HUB – where technology meets style for a seamless and stylish workspace.

Versatile Connectivity

Meticulously engineered to optimize your digital experience, the USB3-BUH4AL boasts four high-speed USB3.0 ports. This facilitates simultaneous connections to multiple devices, ensuring swift and efficient data transfers. Its backward compatibility with USB2.0 enhances versatility, accommodating a diverse range of devices.

Power When You Need It

Addressing the needs of power-intensive USB devices, the USB-C charging port on the USB3-BUH4AL emerges as the quintessential solution. Effortlessly recharge your devices while enjoying the convenience of a high-speed data hub, guaranteeing uninterrupted productivity.

A Splash of Vibrancy

Bid farewell to mundane workspaces. The USB3-BUH4AL is adorned with a distinctive bottom-mounted RGB LED light, seamlessly transitioning through colors and infusing a subtle vibrancy into your office environment.

Specifications

Bus Type	1 - USB Type-A (9 pin, 5 Gbps)
External Ports	4 - USB Type-A (9 pin, 5 Gbps)
	1 x USB-C (Power Only)
Environmental	0°C to 40°C (32°F to 104°F)
Operating Temperature	0°C to 40°C
Storage Temperature	0°C to 60°C
Storage Temperature	0~80% RH
Material	ABS
Dimension	72 x 72 x 20cm (Main-Body)
Net Weight	Ap. 80g

Features

- Access 4-Port USB 3.0 Type-A simultaneously
- SuperSpeed USB 3.2 Gen 1 (5Gbps) compliant
- Backward compatible with USB 2.0 and USB 1.0/1.1
- Features a unique bottom-mounted RGB LED light
- Compact and portable design with built-in cable
- Plug-and-Play and hot-swap compatible
